WORLD CHAMPIONSHIPS RULES UPDATES

NOVEMBER 2026

This document is for use by players in the Warhammer Age of Sigmar event at the World Championships of Warhammer in December 2026. It covers specific responses to queries and questions sent in by attendees where we have sought to clarify certain rules to help facilitate a great gaming experience.

These responses are provided by the Warhammer studio, and while some rulings may be adopted as official rules updates in the future, they are currently only considered valid for the World Championships. As a result, they will not be appearing in the Warhammer Age of Sigmar app before the event.
